However, Thabaletsi Tombstones will re-schedule your installation for a later date; the customer exempts Thabaletsi Tombstones from any civil or legal liability in such an event.

4.

Should you decide to transport and install your tombstone yourself, you agree to take full responsibility for the stone and agree that Thabaletsi Tombstones will not be held responsible for any damages or loss whatever the cause might be. Once the tombstone leaves the factory, Thabaletsi Tombstones will not accept any returns.

5.

If a tombstone has to be stored after manufacturing, a storage fee will be charged for a maximum period of six months, after which the stone will be destroyed or recycled to defray any costs.

6.

The client acknowledges that Thabaletsi may put their company name and contact details on the tombstone.

7.

Obtaining a permit is the client's own responsibility and for the client's own account. Permits need to be sent via WhatsApp or email.

8.

Granite and marble are natural products and no uniformity in pattern and colour can be guaranteed.

9.

Funeral stones carry no guarantee, please note that Thabaletsi Tombstones has neither control nor jurisdiction concerning the following and will not be held liable for:

- Acts of nature e.g., lightning, flooding etc.
- Sinking of grave site
- Vandalism

- Statutory laws and by-laws and or the amendments
- Abuse or misuse of the product
- Products not manufactured by Thabaletsi Tombstone.
- Malicious damage

10.

The client may decide how much deposit is going to be paid on a lay-bye.

11.

The stipulated price includes VAT. Any increase in VAT will entitle the seller to add the increase to the price and the buyer will have to pay the additional amount.

12.

Our cash and lay-bye prices are the same (Most companies charge more for lay-byes). You as the client may decide how much you are going to pay and when. Our lay-byes do not expire but if there has been a price increase after 12 months from 1st payment, you will be required to pay for the increase and it will be done annually. This is due to inflation. No refunds of money already paid will be made should you, the buyer, cancel the stone for any reason.

13.

The price includes the cost of erection at the place designated by the buyer (within 100km radius of the branch where you bought the stone). Additional transport will be charged at the AA rate per km.

14.

The buyer agrees to give the seller at least 21 working days from the date of full payment to manufacture and erect the tombstone/s. The wording and photos will also need to be given to Thabaletsi Tombstones at least ten working days before installation date. Should we not receive the wording and photos within the ten working dates, the erection date will have to be rescheduled.

15.

The buyer agrees that, under no circumstances, can this agreement be amended once manufacturing of the tombstone has commenced. Confirmation by the seller will constitute sufficient proof of the commencement date. No amendments to wording, engraving, style, design, colour or any other specified requirements can thereafter be made unless agreed by both parties in writing.

16.

With each cash payment you will receive a receipt with a balance amount on it. Bring your receipts with you every time you come to make a payment in order to assist our admin staff.

17.

In case of a bank transfer or deposit, please email your proof of payment to admin@thabaletsi.co.za .

18.

Remember that the stone remains the property of Thabaletsi Tombstones until fully paid.

19.

This agreement is binding on both parties and no other agreement whether verbal or in writing will have any force of effect.

20.

It is advisable to build a foundation for the tombstone to be erected on. Thabaletsi Tombstones takes no responsibility for any building done by the buyer. If the client instructs us to erect the tombstone without a foundation, Thabaletsi Tombstones will not be held liable as per point 9.

21.

The seller will not be held responsible for any broken or fallen stones after 30 days of installation.

We trust that you understand the general information and terms and conditions above and that you have read all documentation pertaining to your purchase before signing.
